

“I am so very appreciative of all that my children received at FCS. Beside the continual emphasis on looking for God in ever detail of life, my children experienced love and support for the faculty and staff and, above all, the school seeks to uphold the values of our home and our church. I will always be grateful for Faith Christian School.”

-Parent of multiple graduates of FCS

“FCS’s teachers worked hard to give me and all the students, a great education, not only academically, but in God’s Word as well. After graduating, I truly felt prepared to face the challenges of college courses and life in general.”

-Graduate of FCS

“Two of my three grandchildren are FCS grads, and we’re thrilled at their readiness to handle the rigors of college. We also love the caring family atmosphere.”

-Grandparent of FCS Students

“I have been at Faith now for over a decade and have absolutely loved it! I love the safe and caring environment provided by the faculty and staff and especially enjoy the freedom we have to teach our subjects from a Biblical worldview. This ministry gives me the opportunity to influence future generations, both academically and spiritually.”

-Faculty Member at FCS

*Why should you consider FCS?
Because we care about your student’s success, almost as much as you do.*
