

Update 5.15.20

Faith Family,

The last day have instruction for the high school will be Tuesday, May 19. All work for the high school should be turned in online by Wednesday, May 20. There will be no exams for the high school this year.

The last material/assignment drop off day for the elementary will be Monday, May 18 from 5-8 PM. We are also asking that all library books be returned at this time. The pick-up time will also include items that have been left in the classrooms by the students. The teachers will bag these items up, and it will be available out front when the students drop off their assignments. If the weather is bad on Monday, we may have to move to Tuesday.

If you have not registered your children for school next year by FACTS, we are asking that you do that as soon as possible. We typically enroll in March of each school year. We delayed it this year because of the coronavirus situation. At this point, it is important that we be able to plan for the next school year. You can help us do this by taking care of the enrollment process which is done through FACTS. If you're having problems with this process or have questions on this process, please call the school office. If we're not here at the time, please leave a message, and we will return your phone call.

All events for May have been cancelled except for the following:

High school graduation – information has been sent to seniors

K-5 graduation – information will be coming out to the K-5 class

JR/SR – information will be coming out today to the juniors and seniors

Sophomore play – possible scenarios are being discussed

FCS appreciates the hard work of all of our staff for transition to online school. Parents and students did a great job with the curveball of online school. Thank you for your help, patience and hard work of the last few weeks. We are thankful for our FCS family and the goodness of our God during these times. As I walk in each day to school and I see the sign, "God is Faithful," I am reminded that God continues to be faithful even though we may not see His hand. We trust that you have a great summer, and we look forward to seeing you in person when school starts in August.
